

Errata to page 3 of the 2016 Guide to Your Health booklet

Please note that the overall out-of-hospital benefit example listed on page 3 (Benefit Management) of the 2016 Guide to your Health booklet should be as follows:

Here is another example, but this time for a member with one dependant on Marine:

- Overall out-of-hospital benefit: M+1 = R21 878, which is available at the beginning of the year
- Claim for pathology (blood test): Claim for R878 paid by POLMED
- Balance left over in overall out-of-hospital benefit after payment of the claim = R21 000
