## POLMED MEDICAL FUND

During my visit to the Medi-Clinic in Bloemfontein for tests, I once again experienced your excellent service! Visiting a hospital is always an emotional experience, but knowing that POLMED has arranged everything in advance gave me peace of mind!

Friends and family envy the good service we receive from POLMED!

POLMED is indeed an excellent medical fund, because people with integrity and commitment manage POLMED! Thank you also for our chronic prescription medicine!

Once again, thank you very much to everyone at POLMED for your excellent work!
