Dear Mrs Du Plessis,

ANNUAL CONTRIBUTION INCREASE

Polmed strives to ensure that you receive the best quality healthcare that is aligned with industry standards. By now you should have received all the necessary information regarding the Polmed 2020 Benefits.

The Scheme's annual increase is effective on 1 April annually. This date coincides with the Government Employees Pension Fund (GEPF) annual increase. As you may be aware, Polmed's contributions are categorized by income band.

By applying the approved 2020 GEPF increase percentage to your latest monthly pension on record, you will remain in the salary band R0-6618. By applying the approved member contribution increase for 2020 your new monthly contribution will be R351 with effect from 1 April 2020.

We trust that you find the above in order and look forward to being of further assistance to you in future.

Please feel free to contact us should you require any further information or clarity.

Yours faithfully
