### POPI CONSENT

1. Firstly, sharing your personal health information electronically with your medical scheme and healthcare providers supports them in making better treatment decisions by having your detailed clinical history on hand. It avoids repetition of tests or treatment being prescribed when these have already been tried. Do you understand and agree to share your membership's information electronically to improve the quality of the healthcare you receive?

YES	NO
-----	----

2. Your medical scheme complies with national and international laws about storing and sharing your information in a safe, secure, electronic environment. Do you understand and agree that we will only provide access to authorised users? Cross-border storage is standard practice in countries with advanced standards of healthcare. This also complies with the Protection of Personal Information Act.

YES	NO
-----	----

3. You can withdraw consent to share your personal healthcare information at any time. Do you understand and agree that you will be able to do this by calling the Client Service Call Centre and making this request?
